

Cast-for-Cash®
TOURNAMENT RULES
(2025/2026 Season)

About Cast-for-Cash

Cast-for-Cash® is a registered brand name owned by SA BASS magazine. Cast-for-Cash is a monthly bass angling tournament held on the last weekend of each month, except in December. You can enter as many events as you wish; no club affiliation is required. The tournaments are open to everyone. Teams compete to qualify for the Cast-for-Cash National Championship, which will be held in May.

By signing the entry form, each angler acknowledges that they have read and accepted the rules and tournament conditions listed below and agrees that the tournament committee's decisions are final.

These rules will remain unchanged throughout the season and supersede any previously published rules for this tournament trail. They are intended to promote the best interests of bass fishing in general, rather than to benefit any individual, team, or competitor. Please ensure you understand the rules and regulations.

1. INTERPRETATION & ENFORCEMENT

Interpretation and enforcement of these rules will be left exclusively to the tournament organisers and director. Decisions of the tournament committee are final in all matters and are not subject to appeal. Each contestant agrees to report any rule violation to the tournament organiser immediately upon discovery of the violation. Failure to report violations may be cause for disqualification. Protests are to be made in writing within 15 minutes after the check-in time of the final flight of each tournament day.

2. GENERAL

All anglers enter the Cast-for-Cash® Tournament Trial voluntarily and at their own risk. SA BASS and staff, the Cast-for-Cash® tournament organisers, tournament sponsors, BB Print and its proprietors and all resort proprietors and their employees at all levels, are indemnified from any personal liabilities whatsoever that may be incurred by any person while travelling to, or from, or during the tournament.

The emphasis is on team (rather than individual) competition and only one team per boat is allowed.

A team consists of maximum two persons on one boat, but a team may however consist of just one person.

Anglers are not allowed to keep the official weigh-bags, tags or boat flags used at the tournaments.

3. PARTICIPATION

Participation is open to any angler, irrespective of creed, colour or race. There is no age limit to for anglers competing in the Cast-for-Cash Tournament Trial however people under the age of 16 are required to fish with a parent or legal guardian.

Cast-for-Cash® Management reserve the right of admission to any participant. Any person who, in the judgment of the tournament organiser is disabled or handicapped in such a manner as to unfairly hinder his or her skipper or co-angler partner or compromise his or her safety or the safety of his or her skipper or co-angler partner may not be eligible to participate.

4. TEAM STRUCTURE

Teams may consist of maximum two anglers plus one reserve angler. In case any two of the three cannot attend the remaining third member must fish alone; or, two anglers from different teams who are each fishing alone may fish together from one boat. However, each angler will still have to pay his teams' full entry fee, and the boat number for the day will be the number drawn by the skipper.

All team members have to be registered before **30 November 2025** (registrations cannot change; new members cannot be added for the rest of the season). If any member cannot fish the rest of the season then the remaining registered partners may complete the season. Should any member of a team be replaced at any time during a season it would constitute the start of new team and lose all accumulated points for the season and start over from zero on the log.

Reserve anglers: Reserve anglers may not compete in more than two tournaments during the season, and will not be allowed to compete at the Cast-for-Cash Championship.

The **number of anglers allowed per boat** during tournament hours consist of the following options:

- a. 2x Adults, or
- b. 1x Adult and 1x Junior under 18, or
- c. 2x Adults and 1x Junior under 13, or
- d. 2x Juniors (<16) and 1x non-fishing skipper to drive the boat, or
- e. 2x Female Anglers and 1x non-fishing male skipper to drive the boat

5. RIGHT OF ADMISSION

Right of admission is reserved: the Cast-for-Cash® Tournament Trial is a showcase for bass angling! All contestants are required to follow high standards of sportsmanship, courtesy and conservation and to conduct themselves in a manner that will be a credit to themselves, to SA BASS, sponsors, the sport of fishing and SA BASS' efforts to promote the sport. Examples of conduct not complying with those standards include, but are not limited to, the following: violation of, or failure to comply with, any of the official rules for the Cast-for-Cash® Tournament Trial.

6. PRIZE MONEY

CASH + trophies for top three places;
Trophy for heaviest fish,
Trophy for Junior angler (<13) with heaviest fish;
Lucky draw prizes.

Prize money for each event will be awarded based on the total bag weight for the day. Prize money is based on the number of paid entries for each tournament and paid for the top three heaviest bags plus heaviest fish. Prize money is allocated only to teams and not individuals. In the event of a tie, the teams will share the prize money of the tied position for which they tied, plus the position immediately below that.

Should the prize money be affected in any criminal way whatsoever, tournament organisers, tournament sponsors, SA BASS and staff, BB Print and its proprietors and their employees at all levels, will not be held liable for any compensation. In the event that a portion of, or total amount, of the prize money is not won, the residual funds will be added to the total prize money pool for the season's Cast-for-Cash® Championship.

7. DATES & VENUES

The tournament season will be from **August 2025 to May 2026** and the venue for each competition will be announced at the preceding month's captains meeting, on our website www.mlfsouthafrica.com and relevant WhatsApp groups.

Cast-for-Cash® organisers cannot be held responsible if dates and venues need to be changed because of influences beyond their control. Notice will be given by notifying participants via the website, social media networks, e-mail or SMS. At the discretion of the tournament organiser, tournament days may be shortened, postponed or cancelled due to unsafe weather or water conditions.

8. COMPETITION TIMES

No contestant may be on tournament waters for the purpose of locating fish or testing boats or equipment or be on potential fishing waters after the opening of registration except during tournament hours.

05:30 – 06:00 Entry and Registration

06:15 – After your boat has been launched your live-well, safety gear and safety lanyard has to be checked by a tournament official, or any person appointed by the tournament official, prior to the commencement of the tournament.

It is the responsibility of every team to ensure their live-wells have been checked by a tournament official

06:45 – At least one member of each team must be present at the pretournament meeting where the tournament hours will be confirmed.

07:00 – Take off according to boat numbers

Late entries are allowed, but registration will only take place after the last boat has left, and will only be allowed to start after boat inspection has been done.

Check-in: All fishing must cease upon check-in. No one else other than a member from your team can hand in your tag on your behalf. It will be deemed that you are still on the water fishing, or in distress, if your tag is not on the tag board in time. Even though a team's bag could have been weighed but their tag is not on the board at the time, the team will be deemed late and their catch will be disqualified.

Weigh station: Unless the tournament organizer for the day states otherwise; the weigh station will be closed during the day and will only open 15 (fifteen) minutes prior to check-in time.

Any team that has handed in their tag on time but joins the weigh-in queue after 16:20 will be disqualified.

Prize giving: Follows half an hour after check-in and only after the results are known and written complaints received have been sorted out. Any complaint is to be submitted in writing, or by providing video footage, to the relevant regional tournament organiser within 15 minutes of the check-in time of the final flight of each tournament day.

9. TOURNAMENT REGISTRATION

Each team has to download, complete and hand in their official tournament entry form in person at the designated registration site (please write clearly).

Teams can pre-register for Cast-for-Cash® qualifying events in a specific region for the season. The pre-registration fee does NOT include championship entries. Pre-registered Cast-for-Cash® teams still have to hand in a signed entry form for every tournament on the day. Teams register under one team name for the season and team names can be change during the season only if the change is well motivated in writing and presented to the regional organiser.

Pre-paid entry fees CANNOT be transferred between regions; are non-transferable between tournament seasons, and/or between teams, and are non-refundable once payment of any sort has been received i.e. upfront payments and monthly payments for no shows, or if a team decides to stop fishing the season. All tournament entries are to be done in full prior to the start of the event (regardless if the team consists of only one person). Cash entries can be accepted by the regional organiser's discretion. We also accept EFT payments (not cash deposits) into our bank account, which must be made at least three **(3) days prior to the start of the event. Teams whose entry fees are not reflected on our bank statement by Friday morning at 10:00 will not be eligible to receive any prize money during the prize-giving ceremony if they win.**

10. STARTING POSITIONS

Starting positions for the day will be randomly drawn from one bag on a first-come, first-served basis by all teams. Only pre-paid teams are allowed to draw TWO numbers at once and choose the better number for the day. The rest of the field is allowed to draw ONE number.

Every registered team must collect their corresponding boat flag number for display when boats are lining up for the start and the skippers must arrange themselves according to their starting numbers. A rolling start from position #1 with a five-second interval between boats will be used. Teams will only be allowed to set off once their team number is called and a GREEN flag has been raised (no team may set off while the RED flag is raised). When a team's number is called, the team must idle out and is only allowed to go on plane from the point the organizer has appointed. All persons must be seated, and a qualified skipper must be behind the steering wheel in full control of the boat whenever it is on plane or the combustion engine is running and in gear.

There will be only one official checkpoint for boat check-in in the morning and one official check-in point in the afternoon. Failure to go through boat check-in and check-out in the morning, or failure to check-in at the check-in point, will result in immediate disqualification, and no tournament entry fees will be refunded.

11. SAFETY

Safe boating must be observed at all times and remains the responsibility of every skipper. Each contestant is required to wear a fastened personal flotation device anytime the combustion engine is running from boat check until weigh-in each day of the tournament. All boats must be equipped with an emergency ignition-shutoff device that must be securely attached to the driver's body whenever the combustion engine is running. All persons must be seated and a driver must be behind the steering wheel in full control of the boat whenever it is on plane or the combustion engine is running and in gear. At the discretion of the tournament director, tournament days may be shortened, postponed or cancelled due to unsafe weather or water conditions. Competitors may leave their boat and seek shelter in bad weather or when danger is eminent. However, teams must stay within sight of each other.

12. BOAT OPERATION & EQUIPMENT FAILURE

In 'no wake zone' areas, at any venue, anglers must line up in single file at idle speed and may not overtake another competitor. They may only pass the boat ahead of them once that boat has peeled off to the side, or stopped to start fishing. Contravention of this rule will result in that team or teams' catch for the day being disqualified. At no time may a contestant leave the boat to land a fish or to make the boat more accessible to fishing waters. Contestants must leave and return to the official checkpoint by boat. In the event of equipment failure or emergency, there will be only two permitted methods of returning to the official check-in:

- (1) by both partners remaining in their boat and being towed, or
- (2) by one partner boarding the boat of another tournament contestant with their entire catch kept separate in a weigh bag.

Under these two conditions the contestant's catches may be counted without a penalty (except for late penalties or dead-fish penalties. Note: Equipment failure does not allow for flat batteries or running out of fuel). Contestants who elect to return to the official check-in by any other means than cited above will forfeit their day's catch.

A 100 meter radius from the weigh station must be treated as a no-wake zone.

Boats are not allowed to beach directly at the release point. There is a "No Fishing Zone" directly at the weigh station as indicated by the tournament organiser. Teams who do not comply will be disqualified. Tournament officials reserve the right to board any participating boat before, during or after the tournament.

13. BOAT & HORSEPOWER REGULATION

All boats participating must be fitted with a minimum of 15hp (fifteen horsepower) outboard engine, must be propeller driven and be a minimum of three meter (10ft) in length. No watercraft deemed unsafe by the tournament committee will be permitted. All vessels are to conform to the SAMSA regulations and must be equipped to keep bass alive through the use of a properly aerated live-well of some sort. All vessels should be equipped with an emergency ignition shut-off device that should be securely attached to the driver's body whenever the combustion engine is in operation.

The use of generators, other than solar or wind-powered generators, is prohibited in contestant boats during tournament hours on all competition days.

14. LIVE FISH

The Cast-for-Cash® Tournament Trial is a catch, weigh and release event. Every effort must be made to keep bass alive through the use of a properly aerated live-well of some sort. Cast-for-Cash® and all its sponsors recommend the use of live-well additives that promote the healthy return of bass to their natural habitat. (No stringers, keep nets or fish nets are allowed).

Any fish presented to the weigh master with a white circle in the eye or a fish, or obviously dead, or a fish that is not gilling or finning within (10) ten seconds on a wet towel in the shade; will be regarded as "dead" and therefore be penalised and a 1000 gram will be deducted from the total bag weight for each "dead fish" as decided upon by the weigh master alone. SA BASS and Cast-for-Cash® also recommends the use of non-puncturing culling clips for marking fish and live-well additives to help promote the healthy release of bass.

15. PERMITTED FISHING METHODS

Any team can only start to fish after they have gone through the starting gate. Fishing is defined as having a lure attached to a line and a rod and reel with the rod in hand. All bass must be caught alive in a conventional sporting manner. All fishing must be conducted from the boat and only artificial lures may be used, with the exception of pork trailers and biodegradable soft baits. Only one wet rod with one main line and one lure / bait per angler at any given time is allowed (eg. If you snag up you must break your line off before another rod can be used). The rod must be hand held (no rod holder may be used).

Rigs like the double rig where multiple lures / baits are attached to one main line are not allowed, except for commercial available "Alabama" rigs restricted to a maximum of five wires with a maximum five spinners, five lures and three hooks. (Single, or treble hooks each count as one hook.)

Trolling as a method of fishing is strictly prohibited. Trolling is defined as operating the combustion engine or using the trolling motor to extend a cast or lengthen a retrieve. All bass caught must be hooked inside the mouth. Creating feeding spots by dumping bait either artificial or natural, or any other attractant in order to attract fish to a specific location is prohibited. Tournament ethics, courtesy and good conduct are unwritten "golden rules" and core responsibilities of all anglers on all levels.

16. PERMITTED FISHING LOCATIONS

Contestants may fish anywhere on tournament waters available to the public and accessible by boat, except areas designated as "non-boating" or "non-fishing" by local or provincial officials, or within 45 metres of a competitor's boat. Non-contestants (spectators on boats) are also not allowed within 45 metres from a contestant's boat. At no time may a contestant get off the boat to land a fish or to make the boat more accessible to fishing waters. The cutting of trees, bushes and/or logs after the start of registration to make an area more accessible by boat is strictly prohibited and may result in disqualification from the tournament.

17. LIMITS

- There is **no minimum size limit** for bass to be weighed.
- All live-wells must be completely empty prior to the start of any official fishing session. Each boat may possess a maximum of **SIX** bass in the live-well at any time, but only **FIVE** fish may be presented for weigh-in. Culling at the scales is strictly prohibited. Exceeding the daily boat limit will result in disqualification.
- Junior anglers (<13) allowed to weigh ONE fish separately. Anglers possessing more than the tournament limit per team (plus one fish per junior <13) per day, will be disqualified.
- Any fish presented for weigh-in that have partially ingested their prey or lure will not be weighed until the protruding remains of such ingested prey are safely removed and will not count towards the team's bag weight. The introduction of any foreign materials (including vegetation) to increase the fish's weight will be just cause for an immediate disqualification from all Cast-for-Cash® tournaments. Any fish presented for weigh-in must be brought in a weigh bag filled with water. Any fish brought lip-landed to the scale will NOT be weighed. No culling of fish at the weigh station is allowed. Each team's catch must be presented in an official weigh-in bag and verified by the signature of a team member. Failure to have a verified signature may result in disqualification of that day's catch. The team's boat flag must be weighed along with their fish. All fish are weighed together to determine the total bag weight. (No points per fish.)

18. OFF-LIMITS, PRACTICE & COMPETITION

There are no off-limit periods prior to Cast-for-Cash® qualifying events, however; each region may vote on the matter and if the majority is in favour of an off-limit period then the venue will be off limits starting on Sunday evening prior of the tournament. During an off-limit period contestants may not enter tournament waters to locate bass, or potential fishing waters, or sightsee, or test equipment, or fly in person (or a drone) over the tournament waters, or receive any fishing information on the tournament waters from a third party, after the opening of registration, except during tournament hours.

During competition days contestants may not place brush or other physical fish attractors, including chum or holding nets with bait fish of any kind, in tournament waters. During competition days teams may not follow a non-contestant's boat or participate in the placing of markers, brush or other fish attractors including holding nets by non-contestants or the practice of "hole sitting" by anyone.

19. CHECKPOINTS

All fishing must cease upon check-in. Contestants must leave and return to the check-in by boat. There will be only one checkpoint for boat check in the morning and one check-in point in the afternoon. Failure to go through boat check and checkout in the morning or failure to check in at the check-in point will result in disqualification

20. POINT STANDINGS

Each team's End-of-Season-Standing-Points will be determined by the team's Participation Points, plus their best **six (6)** Grand Prix scores for the season, in one region. (A team's accumulated points cannot be transferred between regions.) A Grand Prix-system will be used as follows: the winner of each monthly tournament receives 100 points with following positions receiving points on a decreasing scale (i.e.: 99 for 2nd, 98 for 3rd, 97 for 4th and so on).

Each team will receive an extra five (5) Participation Points per event they competed. Participation Points and Grand Prix Points are NOT transferrable to a NEW team, or between regions.

The top three teams (six anglers) will compete during the Cast-for-Cash National Championship for the "Team-of-the-Year" award. If there are less than ten teams on the regional log then only the top (one) team qualify.

In the event of a tie on the End-of-Season-Points standing for the top position, the team with the most event wins during the current season will be the Regional Champions. If there is still a tie, the team with the heavier total combined bag weight through the entire season will be the winner. If there is still a tie, the team with the heaviest single event bag for the current season will be declared the winner.

21. PENALTIES & DISQUALIFICATIONS

There will be three penalty levels (minor, serious and DQ):

* Minor offences: less 500 gram per offense

Smoking is not allowed in the weigh-in line

Weighing short fish (where applicable)

* Serious offences: less 1000 gram per offense

Failure to wear an approved personal flotation device anytime the combustion engine is running: warning for first offence but instant disqualification for 2nd offence.

A 1000 gram will be deducted from the total bag weight for each "dead fish".

No angler may hand to, or exchange, any article with any other boat and, excepting in an emergency situation, may not leave the boat during the fishing session.

* Disqualification

Violation of, or failure to comply with, any of the Cast-for-Cash rules for the season, except for the above minor and serious offences.

Going on the plane, or passing other a boat within a no wake zone.

Consumption and/or possession of alcoholic beverages or any kind of mind-altering substance during registration or tournament hours extending through the weigh-in procedure and prize giving.

Abuse of or addiction to mind-altering substances.

Suspension/disqualification, probation or ban from any tournament or fishing organization.

Anglers possessing more than the tournament limit of fish per team per day will be disqualified.

Teams who beach directly at the release point.

The intentional introduction of materials that cause an increase in weight/mass of a fish by an angler.

Intentional damaging of fish (fin clipping, illegal tagging, or disfiguration of any kind).

A tag that is not on the tag board by the closing time of the event will result in the entire catch being disqualified and the team will only be awarded their attendance points. (In case of a lost tag the team must identify itself to the tournament organiser and inform him of a lost tag before the dedicated cut-off time, to avoid disqualification.)

Any team who joins the weigh-in queue after 16:20 will be disqualified.

Fishing in an off limits area and/or No Fishing Zone.

If any team or team member receives more than three complaints in one season against them, the team (or team member) will be disqualified for the rest of the season.

In the event that a team is found guilty of cheating, the team members will be immediately banned from all SA BASS, Cast-for-Cash® or Championship tournaments and legal action will be taken against the team members.

22. SPORTSMANSHIP

All contestants are required to follow high standards of sportsmanship, courtesy and conservation and to conduct them in a manner that will be a credit to themselves, to SA BASS, Cast-for-Cash, sponsors, the sport of fishing and our efforts to promote the sport.

The decision of the special committee is final.

24. COMMUNICATION and SOCIAL MEDIA

Accordingly, it is an obligation of competitors to refrain from comments to the news media that unreasonably attack or disparage the integrity of tournaments, tournament officials, sponsors, fellow members, fellow anglers or SA BASS. Responsible expressions of legitimate disagreement with SA BASS and/or Cast-for-Cash policies are encouraged as opposed to attacks upon the integrity of the rules or officials. However, public comments that an angler knows, or should reasonably know, will harm the reputation of SA BASS, Cast-for-Cash, its officials or sponsors shall be considered conduct unbecoming an angler and will result in disciplinary action.

26. LOGO DISPLAY & MEDIA COVERAGE

During all days of competition any and all tobacco logos are prohibited and may not be worn or displayed. Anglers may wear their own apparel every day, except when anglers represent Cast-for-Cash in any event. SA BASS reserve the right, in their sole discretion, to prohibit any angler's apparel that it finds to be offensive. All decisions are in tournament organisers' sole discretion.

27. TRUTH VERIFICATION TEST

Failure to pass an examination will result in disqualification from the tournament. Truth verification tests will be used at SA BASS' sole discretion and the decision based on the findings will be made solely by SA BASS. All costs for such a polygraph test will be for the competitor's account, despite the outcome.
